Subject: HAC S&I Request Concerning NFIP Audit Reports

1. I talked with Mr. Bill Vandergrift, the acting chief of the Committee's S&I team, and passed along the information that he should contact [REDACTED] as the CIA's point of contact for the subject study. I also told him that the DCI was reluctant to appoint a "Community" contact for this particular study, since the major NFIP players are DoD Agencies which have their own mechanism (through the DoD IG) for handling matters such as this.

2. I suggested he contact the Assistant DoD IG for Audit, Mr. John Melchner. He didn't seem to have any problem with this response, but did ask that we send him something in writing to this effect. I said that a letter was in the process of being prepared for the DCI's signature.
